Dear Ms. Fisher:

RE: EPA ID NO. NJD 081 982 902, Perth Amboy

NJDEP is in receipt of a Notice of Cancellation from Marsh and McLennan, Inc. dated August 19, 1986 which cancels Policy No. 85L1558/31 issued by West Coast Marine Managers for EPA ID NO. NJD 081 982 902, October 18, 1986.

N.J.A.C. 7:26-9.13 requires the owner of a hazardous waste treatment, storage or disposal facility to have and maintain liability coverage for sudden accidental occurrences in the amount of at least \$1 million per occurrence with an annual aggregate of at least \$2 million, exclusive of legal defense costs and the owner or operator of a surface impoundment, landfill or land treatment facility which is used to manage hazardous waste to have and maintain liability coverage for nonsudden accidental occurrences in the amount of at least \$3 million per occurrence with an annual aggregate of at least \$6 million exclusive of legal defense costs.

Chevron Corporation is, therefore, requested and should submit by October 18, 1986 evidence of liability coverage as required by N.J.A.C. 7:26-9.13. Failure to do so will put Chevron Corporation in violation of N.J.A.C. 7:26-9.13.

Sue Fisher
